

ILLINOIS POLLUTION CONTROL BOARD  
March 11, 1992

IN THE MATTER OF: )  
 )  
PETITION OF THE REYNOLDS METAL ) AS 91-8  
COMPANY FOR ADJUSTED STANDARD ) (Adjusted Standard)  
FROM 35 ILL. ADM. CODE 218.980 )  
 )

ORDER OF THE BOARD (by M. Nardulli):

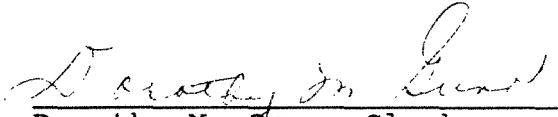

This matter comes before the Board on the February 28, 1992 filing of a status report by the Reynolds Metal Company. Reynolds states that the USEPA has indicated it will reconsider the rules involved as expeditiously as practicable but has not yet made a decision.

The Board accepted this matter for hearing on January 23, 1992, but delayed assigning a hearing officer until USEPA takes final action. This delay is necessary because the petition could result in a revision to the State Implementation Plan (SIP). Before a revision to the SIP can be accepted, the USEPA must first revise the Federal Implementation Plan (FIP). Reynolds has petitioned USEPA for the revision to the FIP and is waiting for USEPA's decision.

The parties are directed to file a status report in the Board's offices by June 10, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of March, 1992, by a vote of 7-0.
