ORDER OF THE BOARD (by J. Theodore Meyer):

On April 5, 1996 The Knapheide Mfg Co. (Knapheide) and the Illinois Environmental Protection Agency (Agency) filed a Joint Motion for Extension of Time in Which to File Agency Recommendation, stating that they are involved in ongoing discussions regarding Knapheide's petition for extension of variance. Specifically, Knapheide is in the process of providing the Agency with additional information and the parties state that the Agency will need more time to review and analyze the information. Therefore, the parties request until April 19, 1996 for the Agency to file its recommendation. The parties assert that the request is made in good faith and note that Knapheide has waived hearing in this matter.

In order to allow the parties sufficient time in which to negotiate and analyze information, the Board grants their request and directs the Agency to file its recommendation on or before April 26, 1996.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18<sup>th</sup> day of April, 1996, by a vote of 5-0.

  
Dorothy M. Gunn, Clerk
