ORDER OF THE BOARD (by R.C. Flemal):

This matter is before the Board on a "Motion for Waiver of Requirements" filed by the Illinois Environmental Protection Agency (Agency) on April 3, 1996. The Agency requests that the Board waive the requirement of 35 Ill. Adm. Code 103.123(b), that it file ten (10) copies of all pleadings, as that requirement pertains to the filing of the Agency record, pursuant to Section 105.102(a)(4). The Agency asks instead that it be permitted to file only the original plus three (3) copies of its record with the Board, in addition to providing one copy to the hearing officer and one copy to petitioner. In support of its motion, the Agency cites the length of the record in this matter and the resources required to provide ten copies. The attached permit record index shows that the record consists of three volumes, totaling approximately 370 pages.

The Agency is hereby given leave to file with the Board an original and four (4) copies of its record in this permit appeal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of April, 1996, by a vote of 5-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
