ENVIRONMENTAL PROTECTION AGENCY )

Order of the Board (by Mr. Currie):

These petitions seek open burning variances. Under new regulations adopted September 2, the proper and more expeditious method of handling these cases is by seeking a permit from the Environmental Protection Agency. A copy of the new regulations will be sent to the parties with this order. We trust the Agency will give expedited handling to cases that had already been filed with the Board. The petitions are dismissed without prejudice.

I, Regina E. Ryan, Clerk of the Pollution Control Board, certify that the Board adopted the above Order this 30 day of September, 1972.
