OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed April 4, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Amoco Oil Company, an Maryland Corporation located at Third and Madison, in the City of Dixon, Lee County, Illinois. The complaint alleges that Amoco Oil Company has violated Section 12(f) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/12(f) and 35 Ill. Adm. Code §§ 305.102(b) and 309.102(a) for failure to comply with sampling and reporting requirements.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint Motion requesting relief from the Act's hearing requirement on April 4, 1994. The Board published a Notice of the waiver on April 7, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on April 4, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Amoco Oil Company denies the alleged violations and agrees to pay a civil penalty of five thousand dollars (\$5,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects Amoco Oil Company's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
