ORDER OF THE BOARD (C.A. Manning):

This matter comes before the Board pursuant to an Illinois Environmental Protection Agency Motion for Extension of Time to File Agency Recommendation, filed November 2, 1993. Counsel for the Agency represents in a motion supported by affidavit, that the Agency is currently reviewing the requested variance petition and that discussion regarding the variance and a possible adjusted standard are ongoing. The motion and affidavit indicate that, while the recommendation was due October 27, 1993, an extension until January 31, 1994 would allow the parties sufficient time to resolve this matter. The affidavit also states that counsel for the Ensign-Bickford Company intends to file a waiver of the statutory decision deadline and that Ensign-Bickford has no objection to the filing of the instant motion.

On November 9, 1993, the Board received a statutory deadline waiver from the Ensign-Bickford Company until April 30, 1994. As such, the Board hereby grants the Agency an extension of time until on or before January 31, 1994 to file the Agency recommendation in this matter, unless this case is otherwise resolved or dismissed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of November, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
