ORDER OF THE BOARD (by R. C. Flemal)

This matter is before the Board on its own motion. Due to overlap of issues, the Board believes consolidation of dockets R91-20 and R91-21 is necessary and in the interest of administrative economy. Therefore, the Board hereby closes the R91-21 docket, and incorporates the material from that docket into docket R91-20. To reflect this action, the caption to docket R91-20 has been changed. The new caption is shown in this order and should be used in all future filings in this matter.

The Board anticipates that the Illinois Environmental Protection Agency will be filing a proposal in this docket in the near future. Further information on any future hearings will be available at a later time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of February, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
