OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed December 28, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against the Village of Port Byron, an Illinois municipal corporation located in Rock Island County, Illinois. The complaint alleges that the Village of Port Byron has violated Section 12(f) of the Illinois Environmental Protection Act (Act) (415 ILCS 5/12(f) (1992)), 35 Ill. Adm. Code 309.102(a) and 305.102(b) by failing to comply with sampling and reporting requirements contained in its NPDES permit.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on December 28, 1994. The Board published a notice of the waiver on January 4, 1995; no objection to granting of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on December 28, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. The Village of Port Byron admits the alleged violations and agrees to pay a civil penalty of one thousand dollars (\$1,000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
