ORDER OF THE BOARD (by R.C. Flemal):

On October 21, 1994, Safety-Kleen Corporation (Safety-Kleen) filed a status report pursuant to a September 15, 1994 Board order. Safety-Kleen states that it has submitted information reflecting the parties discussions and agreements. Safety-Kleen expects that once the Agency has had an opportunity to evaluate their submission, the issues in this matter will be resolved through issuance of a revised permit.

The Board accepts Safety-Kleen's status report. The Board directs Safety-Kleen and the Agency to file status reports (or a joint status report, if the parties prefer) no later than January 2, 1995, in the event that this matter has not already been resolved and dismissed. The Board notes that the Agency has not filed a separate or joint status report as required under the Board's September 15, 1994 order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of November, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
