ORDER OF THE BOARD (by M. McFawn):

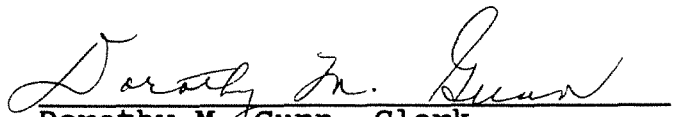

This matter is before the Board on a January 12, 1995 motion to extend time to file the Agency recommendation, filed by the Illinois Environmental Protection Agency (Agency). The Agency seeks an extension until February 9, 1995 to file its recommendation. The motion was supported by the affidavit of James J. O'Donnell. The Agency was previously granted an extension until January 20, 1995.

In support of its motion, the Agency states that recent developments may resolve the differences between the parties, but additional time is necessary to allow the parties to negotiate. The Agency notes that petitioner has filed a waiver of the decision deadline until May 19, 1995, and that petitioner has indicated its willingness to file an additional waiver, if necessary. Furthermore, a conference call with the hearing officer is scheduled for January 27, 1995.

The Agency motion for extension of time is granted. The Agency recommendation is now due on or before February 20, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of February, 1995, by a vote of 5-0.

 Dorothy M. Gunn, Clerk
 Illinois Pollution Control Board
