ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a December 29, 1992 petition for review, filed by Legg and Sons Oil Company, Inc. (Legg). Legg seeks review of a decision by respondent Illinois Environmental Protection Agency (Agency), denying reimbursement of corrective action costs from the Underground Storage Tank Fund.

The petition for review specifically refers to Exhibits A, B, and C, which are letters from the Agency to Legg regarding its request for reimbursement. However, none of these exhibits were attached to the petition for review. Therefore, the Board orders Legg to submit these exhibits. The exhibits will be construed as an amended petition which restarts the decision deadline. Failure to file the amended petition within 45 days of the date of this order will subject this petition to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7<sup>th</sup> day of January, 1993, by a vote of 5-0.
