ORDER OF THE BOARD (by B. Forcade):

This matter is before the Board on a petition to appeal the denial of a RCRA Part B Permit, filed by the U.S. Department of the Army, Rock Island Arsenal (RIA) on December 31, 1992. The Army challenges the Illinois Environmental Protection Agency's (Agency) determination that it failed to correct certain deficiencies in its application as required by 35 Ill. Adm. Code 705.123.

A review of the petition indicates that the Agency's November 30, 1992 decision has not been provided to the Board. The Board hereby orders RIA to submit that Agency decision. The filing of this information constitutes an amended petition and restarts the time clock for the Board's deadline. Failure to file this information within 45 days of the date of this order will subject this petition to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 7th day of January, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
