ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board a November 22, 1994, joint motion to stay. The petitioner, the Galesburg Sanitary District (District) and the respondent, the Illinois Environmental Protection Agency (Agency), request that the Board stay this matter for six months.

The Board will not grant the stay for six months because the decision date for this matter is April 20, 1995, and the Board cannot grant such a lengthy stay without a waiver. In addition, the parties are requesting the stay based on the petitioner's anticipated filing of an adjusted standard with the Board before the end of the year. The Board will not grant the requested stay based upon conduct that may occur at some unknown time in the future. However, the Board will grant the stay until the January 12, 1995 Board Meeting and directs both the District and the Agency to file status reports (or a joint report, if the parties prefer) to be received by the Board no later than January 6, 1995. The Board also reminds both parties that the hearing officer must also be served with all motions and status reports.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 1st day of December, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
