ORDER OF THE BOARD (by E. Dunham):

Pursuant to the Board's order of August 11, 1994, LTV filed a status report in this matter on November 14, 1994. LTV also provided a waiver of the decision deadline until June 2, 1995.

The status report states that petitioner and respondent have held a series of discussions concerning the inclusion of the groundwater monitoring requirements in the permit that is the subject of this appeal. On October 19, 1994, the Agency denied the groundwater monitoring program. LTV states it intends to appeal the Agency's denial and consolidate the two appeals. LTV requests a stay of this matter until the consolidation process is complete.

The Board will not grant an indefinite stay as requested by petitioner. Petitioner is directed to file an updated status report on or before February 3, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of December, 1994, by a vote of 7-0.
