ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint motion for reconsideration, filed on March 15, 1994. On March 16, 1994, petitioner Central Can Company filed a supplement to the motion for reconsideration. The parties seek reconsideration of the Board's February 17, 1994 order directing that all hearings in this matter be completed by July 1, 1994. The parties ask that the Board rescind our February 17 order, to allow more time to obtain an interpretation from USEPA regarding issues in this appeal.

The motion for reconsideration is granted. The parties have presented new information regarding the progress of their inquiries to USEPA. We continue to believe, however, that substantive action on this case cannot be delayed indefinitely. Therefore, we order that all hearings in this matter must be completed by October 1, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of March, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
