ORDER OF THE BOARD (by G. T. Girard):

On November 19, 1993, the Board received a status report filed by A.B. Dick Company (A.B. Dick). The report indicates that the parties are making satisfactory progress toward the resolution of this matter. The Board accepts the status report filed by A.B. Dick and directs the parties to file an additional status report on or before January 18, 1994.

If this matter is not resolved by January 18, 1994, and a hearing is required, an additional waiver of the statutory decision deadline should be filed in conjunction with the January status report. The Board requires 120 days in which to schedule, receive and review the transcript and fully deliberate on the matter. Under such time constraints, the Board will be required to set this matter for hearing in January without a waiver of the statutory deadline.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of December, 1993, by a vote of 6-0.
