ORDER OF THE BOARD (by B. Forcade):

On January 15, 1993, Atwood Industries (Atwood) and the Environmental Protection Agency (Agency) filed a joint status report. The status report states that Atwood has met with the Agency and several issues have been resolved. Atwood believes that given the significant progress of the meetings, the matter will be resolved without a hearing.

The Board notes that the decision deadline in this matter has been waived until July 1, 1993. The parties are ordered to file additional status reports to be received by the Board on or before April 17, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of January, 1993, by a vote of 6-0.
