ORDER OF THE BOARD (by G. T. Girard):

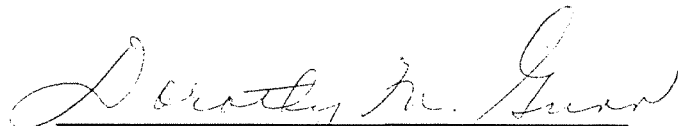

On March 29, 1993, the Board received, from the respondent, a motion for extension of time to file a response to a motion for reconsideration. Respondent's motion stated that both attorneys for respondent had been out of the State and therefore additional time was necessary to prepare the response. The motion asked that the Board grant until April 12, 1993 (an additional 21 days from receipt) for the respondent to file its response. However, on April 7, 1993, the Board received the response to the motion to reconsider.

On March 31, 1993, the Board received an objection to the motion for extension of time filed by the petitioner. Petitioner states that it would be unduly prejudiced by a 21 day extension, because it would prolong the time before which the Board could rule on the motion. The petitioner, however, has no objection to a 14 day extension.

The Board notes that the motion and objection were received after the Board's March 25 meeting and therefore could not have been ruled on at that time. Further, today's meeting (April 8, 1993) is the next scheduled meeting of the Board. Therefore, the Board finds that an extension of time will not prolong the Board's ruling on the motion for reconsideration since the next scheduled meeting is April 22, 1993. As the Board has received the response, the Board grants the motion for extension of time until April 7, 1993. The Board will reserve ruling on the motion to reconsider at this time.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 8th day of April, 1993, by a vote of 6-0.
