ORDER OF THE BOARD (by J. Anderson):

On October 26, 1993, Marsco Mfg. Company (Marsco) filed a status report. Marsco reports that it is continuing negotiations with the Environmental Protection Agency (Agency) concerning the denial of an operating permit. Marsco has appealed the Agency's denial of the permit. (See Marsco v. IEPA (July 22, 1993), PCB 93-132.) It is anticipated that the negotiations will be complete within 45 days. Upon the completion of the negotiations, the parties may revise the proposed settlement agreement.

Pursuant to the parties request, the Board will continue to postpone consideration of the stipulation and proposal for settlement until the completion of negotiations between the parties. The Board directs Marsco to file an additional status report with the Board by January 3, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 4<sup>th</sup> day of November, 1993, by a vote of 6-0.
