ORDER OF THE BOARD (by J. Anderson):

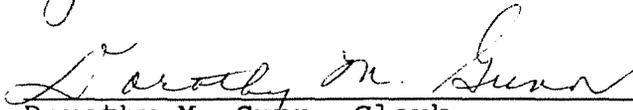

This matter is before the Board on an April 29, 1993, status report filed by Reynolds Metals Company ("Reynolds") in this matter. Reynolds states that on June 23, 1992, the United States Environmental Protection Agency ("USEPA") published notice in the Federal Register staying the effectiveness of 40 CFR 52.741(x) and (y) as they apply to Reynolds in order for USEPA to reconsider the applicability of the rules to Reynolds.

Reynolds reports that USEPA is proceeding expeditiously with its reconsideration of the rules. Finally, Reynolds states that the Illinois Environmental Protection Agency concurs with the status report.

Reynolds is hereby ordered to file another status report with the Board on or before June 28, 1993.

IT IS SO ORDERED.
