Respondent. )

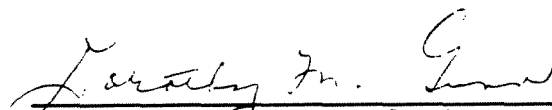

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on its own motion. On February 4, 1993, the Board ordered the parties to file a status report in this permit appeal initially filed with the Board on November 11, 1990. The status report was to be received by the Board no later than February 18, 1993 or this case would be subject to dismissal for want of prosecution. The parties have failed to file a status report as ordered. Previously, the parties failed to comply with a similar status report order entered on December 17, 1992. Therefore, consistent with the Board's February 4, 1993 order, this case is dismissed for want of prosecution and the docket is closed.

IT IS SO ORDERED.

Section 41 of the Environmental Protection Act (415 ILCS 5/41 (1992)) provides for the appeal of final Board orders within 35 days. The Rules of the Supreme Court of Illinois establish filing requirements. (But see also, 35 Ill. Adm. Code 101.246, Motions for Reconsideration, and Casteneda v. Illinois Human Rights Commission (1989), 132 Ill. 2d 304, 547 N.E.2d 437.)

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was entered on the 25<sup>th</sup> day of February, 1993 by a vote of 6-0.
