ORDER OF THE BOARD (by G. T. Girard):

This joint status report was filed with the Board on August 31, 1993. Dietzgen and the Illinois Environmental Protection Agency (Agency) have been engaged in settlement negotiations. An agreement was reached in principle and the parties have agreed on a penalty amount subject to the preparation of a satisfactory settlement document. The Agency is currently preparing the settlement document. If Dietzgen finds the settlement document to be agreeable, Dietzgen plans to request the Boards' permission to withdraw its variance petition.

The Board directs that parties to file a status report with the Board to be received by the Board no later than December 9, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 9th day of September, 1993, by a vote of 7-0.
