

ILLINOIS POLLUTION CONTROL BOARD
March 31, 1994

IN THE MATTER OF:)
)
UST UPDATE, USEPA REGULATIONS) R94-8
(JULY 1 THROUGH DECEMBER 31,) (Identical in Substance Rules)
1994))

Proposed rule. Dismissal order.

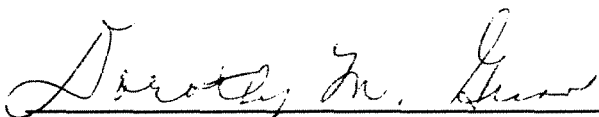

ORDER OF THE BOARD (by M. McFawn):

Section 22.4(d) of the Environmental Protection Act (Act) requires the Board to adopt regulations which are "identical in substance" to underground storage tank (UST) regulations promulgated by U.S. EPA pursuant to Section 9003 of RCRA to implement Subtitle I of RCRA, with certain limitations. U.S. EPA has codified its UST regulations at 40 CFR 281 through 283. The Board reserved this docket for any UST amendments adopted by U.S. EPA between July 1 and December 31, 1993. However, USEPA did not amend its UST regulations during this period in any way that would require Board action.

For the foregoing reason, the Board hereby dismisses this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 31st day of March, 1994, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
