ORDER OF THE BOARD (by C. A. Manning):

Pursuant to Section 35(b) of the Environmental Protection Act (Act) (415 ILCS 5/35(b)), Chicago Extruded Metals requested that the Illinois Environmental Protection Agency (Agency) recommend that the Board grant a provisional variance to allow Chicago Extruded Metals to continue accumulating hazardous waste for a period in excess of ninety (90) days. Such request for a provisional variance and the Notification of Recommendation was filed with the Board by the Agency on November 30, 1993. Pursuant to Section 35(b) of the Act, the Board must issue the variance within two (2) days of this filing.

Specifically, the Agency recommends that we grant a six (6)-day provisional variance from the ninety (90)-day limitation on the storage of hazardous wastes, as set forth in 35 Ill. Adm. Code 722.134(b), for the period from November 6, 1993 to November 12, 1993. The Agency Recommendation was filed November 30, 1993.

Upon receipt of the request, the Agency issued its recommendation, notifying the Board that due to unforeseen, temporary and uncontrollable circumstances, failure to grant the requested six (6)-day provisional variance would impose an arbitrary or unreasonable hardship on Petitioner.

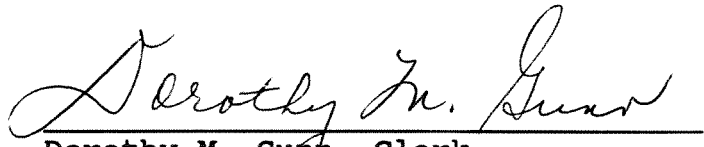

Provisional variances are by their very nature temporary. The responsibilities of the Agency and the Board in these short-term provisional variances are different from the responsibilities in standard variances. (See 415 ILCS 5/35(b) & (c)). In provisional variances it is the responsibility of the Agency to make the technical determinations and finding of arbitrary or unreasonable hardship. The Board's responsibility is to adopt a formal Order, to assure the formal maintenance of the record, to assure the enforceability of the variance, and to provide notification of the action by a press release.

Having received the Agency recommendation notifying the Board that a denial of the requested relief would impose an

arbitrary or unreasonable hardship, the Board hereby grants
Petitioner a provisional variance from 35 Ill. Adm. Code
722.134(b) from November 6, 1993 to November 12, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control
Board, hereby certify that the above order was adopted on the
2nd day of December, 1993, by a vote of
6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
