

ILLINOIS POLLUTION CONTROL BOARD  
February 21, 1980

IN THE MATTER OF: )  
 )  
PROPOSED AMENDMENTS TO CHAPTER 4: ) R80- 3  
MINE RELATED POLLUTION. )

ORDER OF THE BOARD (by Dr. Satchell):

On February 6, 1980 the Board received two letters from Mr. and Mrs. William A. Brown, Mr. and Mrs. Fred Noyes, Mr. and Mrs. Tom Grampp and Mr. and Mrs. A. J. Van Hook, all of Rural Route 7, Bloomington, Illinois. One letter requested notification of any hearings pertaining to amendment of Chapter 4: Mine Related Pollution. This is construed as a request to comment on the Proposed Order of the Board in R76-20 and R77-10 dated December 13, 1979. The second letter suggests four areas in which Chapter 4 could be amended. These are not at issue in R76-20 and R77-10. The Board construes the second letter as a regulatory proposal. Since it is accompanied by a petition with more than two hundred signatures a docket number has been assigned [Procedural Rule 204(a)]. However, the proposal does not contain the language of the amendments or statements of reasons, facts, purpose and effect as required by Section 28 of the Environmental Protection Act and Procedural Rule 203. Therefore the Board will not authorize a hearing at this time. The proposal will be subject to dismissal if these deficiencies are not remedied within forty-five days of the date of this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 21<sup>st</sup> day of February, 1980 by a vote of 4-0.
