ORDER OF THE BOARD (by M. McFawn):

On February 14, 2001, NACME Steel Processing, L.L.C. (NACME) filed a motion requesting that this matter be dismissed. NACME states that the permit appeal is moot because the parties have resolved the disputed issues, and the Illinois Environmental Protection Agency (Agency) has issued a revised permit. NACME also states that the revised permit will only become effective upon the withdrawal of NACME's appeal. NACME represents that both parties have reached an agreement on these issues. The motion is granted, and this matter is dismissed without prejudice.

IT IS SO ORDERED.

Board Member E.Z. Kezelis abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 1st day of March 2001 by a vote of 6-0.

Dorothy M. Gunn, Clerk
