CHAPTER 2. )

ORDER OF THE BOARD (by Mr. Goodman):

Bemis Company, Inc.'s December 14, 1979 motion is granted.

On September 19, 1979 Bemis, by its attorney Roy M. Harsch, Esq., asked the hearing officer in these proceedings by phone whether Exhibit 38 to the consolidated hearing record which is entitled, "Bemis Company, Inc.'s Proposed Amendment to R77-15," would be considered by the Board as a regulatory proposal. The hearing officer informed Attorney Harsch that it was her opinion that same constitutes an amendment to Ashland's and, by motion for designation as an original participant allowed May 15, 1978, allowing Bemis the status of an original proponent, Bemis' original proposal.

Amended proposals are as fully considerable by the Board and by all participants at hearing as original proposals. This is true whether such amendment enters the record as a pleading, an exhibit or as testimony.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 10<sup>th</sup> day of January, 1980 by a vote of 4-0.
