

ILLINOIS POLLUTION CONTROL BOARD  
May 25, 1995

IN THE MATTER OF: )  
 )  
PETITION OF HYDROSOL, INC. ) AS 94-6  
FOR AN ADJUSTED STANDARD ) (Adjusted Standard-Air)  
FROM 35 ILL. ADM. CODE 218 )  
SUBPART DD )

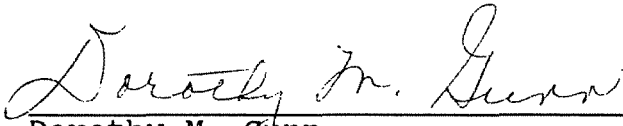

ORDER OF THE BOARD (J. Theodore Meyer):

This matter comes before the Board on a Joint Motion for Stay filed on May 12, 1995. The parties are requesting the stay until the adoption of the proposed rule in R94-21. In the alternative, Hydrosol, Inc. (Hydrosol) requests 30 days in which to file its amended adjusted standard petition.

The Board notes that R94-21 became effective on May 9, 1995; therefore, the joint motion for stay is moot and hereby denied. Since the new rule impacts Hydrosol's petition, and the Environmental Protection Agency has no objection to the request for additional time to file, the Board grants Hydrosol 30 days to file its amended adjusted standard petition. Hydrosol is directed to submit the petition on or before June 26, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 25<sup>th</sup> day of May, 1995, by a vote of 4-0.
