ORDER OF THE BOARD (by B. Forcade):

On July 20, 1992, counsel for Moline Corporation filed a status report as directed by the Board's order of June 23, 1992. On April 25, 1991, Moline filed a voluntary petition for reorganization under Chapter 11 of the Bankruptcy Code in the United States District Court for the Northern District of Illinois, Eastern Division. Section 362 of the Bankruptcy Code prohibits the commencement or continuation of any act or judicial proceeding designed to recover a claim which arose against the debtor before the commencement of the bankruptcy case. The above dockets are currently awaiting the completion of the bankruptcy action.

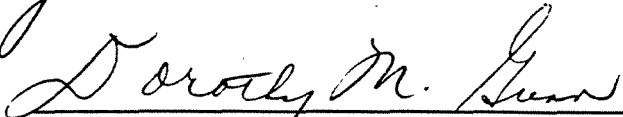

The status report states that offers to purchase the operating assets of the company are currently being reviewed and will be submitted to the court for approval. The possibility exists that the present Chapter 11 case will be voluntarily converted to a Chapter 7 liquidation case within the next 90 days.

Moline is directed to update the Board on the status of the bankruptcy proceeding by filing a status report on or before January 31, 1993 and to file subsequent status reports every six months thereafter.

IT IS SO ORDERED.

0135-0107

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 30th day of July, 1992, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
