ORDER OF THE BOARD (by B. Forcade):

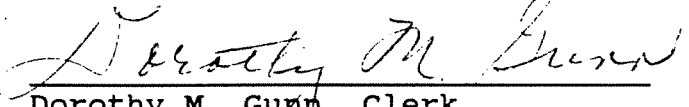

On August 26, 1992, Amoco filed corrections to its July 31, 1992 amended petition. These corrections clarified that Amoco was seeking protection of certain information contained in the petition as a trade secret. Along with the corrections Amoco also filed a statement of justification and a waiver of the statutory deadline for determination of trade secret status.

The Board accepts the corrections to the amended petition and considers them as a new amended petition. Therefore, the August 26, 1992 filing restarts the timeclock for purposes of determining the decision deadline. Absent a waiver of the decision deadline or the need to reach a determination on the trade secret issue this matter is now due December 24, 1992.

The Board will not make a determination on the trade secret status of the documents at this time because Amoco has filed a waiver of the statutory deadline for determination of trade secret status pursuant to Section 102.203. The Board is required to make a determination on the trade secret status of the information if a written request for disclosure of the information is received from the public.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of September, 1992, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
