ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint status report, filed by the parties on December 5, 1995. The parties state that since the last status report the draft RCRA Part B permit was prepared and submitted for public comment on September 18, 1995. The thirty day comment period has expired and the parties anticipate a final permit to be issued in the near future. Once the permit is issued, the parties will file a voluntary dismissal.

The joint status report is accepted. The parties are directed to file an additional status report, either jointly or separately, no later than March 19, 1996. The report or reports shall indicate an anticipated date of resolution.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of December, 1995 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
