OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a Three-count complaint filed February 24, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against K N I Corporation, a New York Corporation and Knomark, Inc., a Delaware corporation located at Jingle Bell Lane, in the City of Aurora, Kane County, Illinois. The complaint alleges that K N I Corporation and Knomark, Inc. have violated Sections 9(a) and 9(b) of the Illinois Environmental Protection Act (Act), 415 ILCS 5/9(a), 5/9(b) and 35 Ill. Adm. Code §§ 201.141, 201.142, and 201.143, for operating and constructing emission sources without the proper permits.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on February 24, 1994. The Board published a Notice of the waiver on February 26, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on February 24, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. K N I Corporation and Knomark, Inc. deny the alleged violations and agree to pay a civil penalty of Ten thousand dollars (\$10, 000.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
