)
PETITION OF STIFFEL COMPANY)
FOR AN ADJUSTED STANDARD) AS 92-1
FROM 35 ILL. ADM. CODE) (Adjusted Standard)
218 SUBPART F)

ORDER OF THE BOARD (by C. A. Manning):

On February 7, 1992, the Stiffel Company (Stiffel) filed a petition for an adjusted standard from 35 Ill. Adm. Code 218 Subpart F. Stiffel and the Illinois Environmental Protection Agency (Agency) have indicated that they have reached an agreement on a plan for achieving compliance in this matter. The last joint status report filed by the parties on October 4, 1994, states that the agreement will resolve all outstanding issues. The Board issued an order granting a six (6) month stay and directed the parties to file another status report on or before March 1, 1994. The parties filed a joint status report on March 2, 1994.

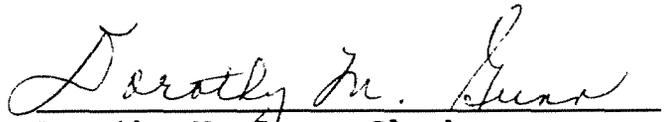

The joint status report explained that the Agency found Stiffel's plan regarding compliance with the 35 Ill. Adm. Code Part 218, Subpart F regulations to be acceptable. The Agency and Stiffel anticipate that the consent agreement will resolve all outstanding issues. The joint status report requests a further six (6) month stay in this matter.

On March 2, 1994, the Agency also filed a motion for an extension of time to file its response to the adjusted standard petition. The motion requests the Board to grant an extension of time which mirrors the stay request.

The parties' motion for stay is granted. The Agency's motion for an extension of time is granted. An updated joint status report, and the Agency's response to the petition, are due to be filed on or before September 9, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of March, 1994, by a vote of 6-0.
