Respondent.)	

ORDER OF THE BOARD (by C.A. Manning):

On May 26, 1995, the Illinois Environmental Protection Agency (Agency) and Central Illinois Public Service Company (CIPS) filed a notice of extension of the 35-day appeal period pursuant to Section 40 of the Act, relating to an April 21, 1995 Agency determination for CIPS #2 Newton Stabilized Scrubber Sludge Landfill.

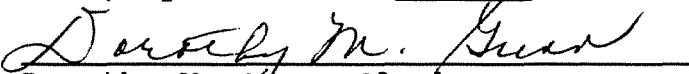

P.A. 88-690 (SB1724) effective January 24, 1995, amends Section 40(a)(1), which governs the permit appeal process, to provide:

the 35-day period for petitioning for a hearing may be extended for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period.

As the Board maintains its files by docket number only, the Board will reserve Docket PCB 95-154 for any appeal which may be filed by CIPS. In the event that CIPS fails to file an appeal on or before August 25, 1995 (the 125th day after April 21, 1995), the Board will dismiss the docket as unnecessary. A \$75.00 filing fee will, of course, be required at such time as CIPS files such petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the day of June, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
