ORDER OF THE BOARD (by J. C. Marlin):

This matter is before the Board on a joint motion to withdraw the Board's April 8, 1993 order scheduling this matter for hearing. The parties in their motion state that Commonwealth Edison and the Illinois Environmental Protection Agency have entered negotiations in order to revise the objectionable condition in the permit which is being appealed in this case. They also state that Commonwealth Edison anticipates withdrawing this appeal after the modified permit is final.

Based on the fact that the parties are negotiating toward settlement, the Board hereby vacates its April 8, 1993 order setting this matter for hearing. The parties are ordered to file a status report with the Board on or before June 25, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 22<sup>nd</sup> day of April, 1993, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk
