ORDER OF THE BOARD (by M. McFawn):

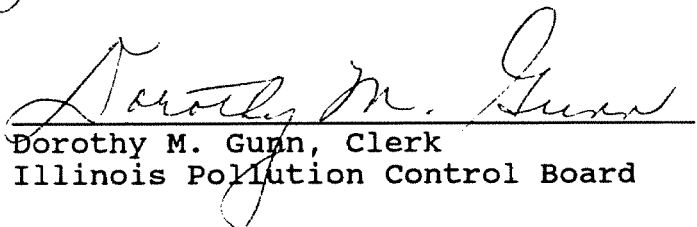

On December 23, 1993, the Agency filed a motion for a 120-day extension of time in which to file its record in this appeal. Petitioner has not filed a response.

In support of its motion, the Agency notes that negotiations in this matter have been ongoing, and that the parties believe that the issues involved will be resolved "in short order". The Agency notes that the decision deadline has been waived to July 18, 1994.

The Board will grant the Agency's motion for extension, but will not grant the full 120 days requested. Based on the current decision deadline, the Board will grant the extension through March 18, 1994 - this would give the Board its full 120 days to have hearing and briefing concluded in the event Board decision is necessary in the event this matter is not resolved by negotiation. The Agency is, of course, free to request an additional stay if the decision deadline is again waived.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6th day of January, 1994, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
