OPINION AND ORDER OF THE BOARD (by R.C. Flemal):

This matter comes before the Board upon a one-count complaint filed May 7, 1992, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against Escast Inc., an Illinois Corporation located at 21 North Church Street, in the City of Addison, Dupage County, Illinois. The complaint alleges that Escast Inc., has violated Sections 21(i) of the Illinois Environmental Protection Act (Act) and 35 Ill. Adm. Code § 722.141 by its failure to file annual generator reports.

Pursuant to 415 ILCS 5/31(a)(1), the parties filed a joint Motion requesting relief from the Act's hearing requirement on March 22, 1994. The Board published a notice of the waiver on March 30, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on March 16, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. Escast Inc., neither admits nor denies the alleged violations and agrees to pay a civil penalty of one thousand five hundred dollars (\$1,500.00).

Where the respondent did not admit a violation in the settlement agreement the Board nonetheless has the authority to approve such agreement. (See, Chemetco, Inc. v. Illinois Pollution Control Board, 140 Ill. App.3d ,283, 488 N.E.2d 639, 643 (5th Dist. 1986); and Archer Daniels Midland v. Pollution Control Board, 140 Ill.App.3d 823, 489 N.E.2d 887 (3rd Dist. 1986).)

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.

ORDER
