ORDER OF THE BOARD (by J. Anderson):

This matter comes before the Board on a motion for extension of time to respond to petitioner's motion for reconsideration filed February 4, 1993 by respondent Illinois Environmental Protection Agency (Agency). This is the Agency's second request for an extension. The Agency requests an additional 45 days to file its response asserting that the parties are exploring a possible settlement agreement. The Agency notes in its motion that petitioner does not object to the extension of time.

The Agency's motion for a 45-day extension of time to file its response is hereby granted. The parties are encouraged to complete settlement negotiations within this time period as any further extensions will be looked upon with disfavor.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 25th day of February, 1993 by a vote of 6-0.
