INTERIM ORDER OF THE BOARD (by Mr. Goodman):

The effectiveness of the compliance program described in the parties' Stipulation of Facts and Proposal for Settlement (Stipulation) submitted November 27, 1979 is dependent upon the cooperation and consent of two outside parties - the Village of Buffalo Grove and the Public Works Department of Lake County. The Board is unwilling to approve a compliance program that extends over a period of 2-1/2 years without a showing of proof that Lake County and the Village of Buffalo Grove have knowledge of the Proposed Settlement and are willing to approve matters included in the Proposed Settlement which require their consent.

The Board hereby rejects the parties' Stipulation. The Board recommends that affidavits satisfying the aforementioned showing of proof be attached to the present Stipulation before it is resubmitted.

The case is remanded for further proceedings consistent with this Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 7th day of February, 1980 by a vote of 4-0.
