ORDER OF THE BOARD (by G.T. Girard):

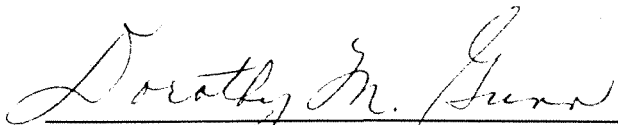

On June 15, 1992, the parties filed what purports to be a status report as directed by the Board's order of April 23, 1992. This filing states only that "[t]he status is that the Petitioner and Illinois Environmental Protection Agency are continuing discussions to try to resolve this matter".

This filing is unacceptable. The parties have failed to indicate what actions have been taken, or progress made, toward resolution of this action, and have failed to provide an estimated date for the completion of this proceeding.

If an adequate amended status report is not received by the Board on or before July 7, 1992, this matter will be subject to dismissal. The Board also notes that, absent waiver of the current October 30, 1992 decision date, the Board may order this matter to hearing to avoid truncation of the Board's time for post-hearing deliberation and decision in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
