ORDER OF THE BOARD (by R.C. Flemal):

This matter is before the Board pursuant to an Illinois Environmental Protection Agency (Agency) Motion for Extension of Time in Which to File Agency Recommendation and Affidavit, filed April 12, 1995. The Agency claims it is still investigating and needs more time to review and analyze information. According to the Agency attorney, the petitioner's attorney does not object to granting an extension until May 15, 1995.

Pursuant to 35 Ill. Adm. Code 104.180(a), the Agency recommendation is to be filed with the Pollution Control Board within 30 days of the filing of the petition. The instant air variance was filed with the Board on March 14, 1995, therefore the recommendation was due to be filed by April 29, 1995. The Agency has requested an extension until May 15, 1995. Considering the statutory decision deadline of October 30, 1995, the Board hereby grants the Agency an extension of time to file the recommendation until May 15, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 20th day of April, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
