December 20, 1990

CITY OF OTTAWA,

Petitioner,

v.

ILLINOIS ENVIRONMENTAL  
PROTECTION AGENCY,

Respondent.

PCB 88-52  
(CSO Exception)

ORDER OF THE BOARD (by R. C. Flemal):

On December 3, 1990 City of Ottawa ("Ottawa") filed a motion for Modification of the Board's August 4, 1988 Order. Ottawa moves the Board to modify the date for completion of Phase I of its sewer separation program, contained in Condition 2(a) of the August 4, 1988 Order. Ottawa requests a one-year extension of the date to December 1, 1991. The motion lists various reasons for the extension. On December 19, 1990, the Illinois Environmental Protection Agency ("Agency") filed its reply to the motion for modification, stating that it believes Ottawa has demonstrated good faith in construction completed thus far on the Phase I project. The Agency also joined in the motion for modification, requesting the Board to grant the motion.

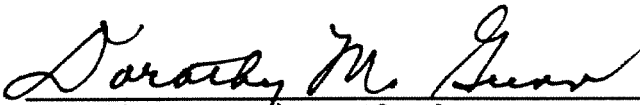

The Motion for Modification is hereby granted. The completion date listed in Condition 2(a) of the Board's August 4, 1988 Order is extended to December 1, 1991.

IT IS SO ORDERED.

Board Members J.D. Dumelle and J. Theodore Meyer dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the

204 day of December, 1990, by a vote of  
5-2.

  
Dorothy M. Gunn, Clerk
