

ILLINOIS POLLUTION CONTROL BOARD
March 28, 1991

IN THE MATTER OF:)
)
THE PETITION OF THE CITY)
OF LaSALLE FOR EXCEPTION) PCB 86-2
TO THE COMBINED SEWER) (Combined Sewer
OVERFLOW REGULATIONS) Overflow)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the Illinois Environmental Protection Agency's (Agency) motion for extension of time, filed March 27, 1991. The Agency seeks an extension of time, until May 31, 1991, to file a response to the City of LaSalle's amended petition for exception. In support of its request, the Agency states that the attorney originally assigned to this case is no longer with the Agency, and that the manager of the Agency's Division of Water Pollution Control's planning section has recently moved to a different division. A new manager, who will coordinate the Agency's position in this case, has not yet been named. Finally, the Agency states that the attorney for LaSalle does not object to the requested extension.

The Agency's motion is granted. The Board would ordinarily grant such a lengthy extension. However, given personnel changes at the Agency, combined with the Board's lack of hearing funds, the requested extension to May 31, 1991 granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 28th day of March, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
