Respondent.)	

ORDER OF THE BOARD (by J. Anderson):

On June 28, 1991, hearing was held in this matter. At that time, the parties stated on the record that they had reached a settlement agreement, but were awaiting signatures and final approval of the agreement. Because the parties anticipated submission of the fully executed agreement within two to four weeks of the hearing, the Hearing Officer stated that the parties should submit the agreement on or before August 12, 1991.

As of this date, the Board has not received the executed stipulation and proposal for settlement. We wish to remind the parties that they are expected to have their stipulation and proposal for settlement signed for presentation at hearing. (See 35 Ill. Adm. Code 103.180(a)). If the parties do not file the executed stipulation and proposal for settlement on or before September 24, 1991, this matter will be set for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12th day of September, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
