ORDER OF THE BOARD (by B. Forcade):

On April 26, 1993, the parties filed a joint status report. The parties report that the issues presented in this matter are substantially similar to those raised in State Bank of Whittington v. IEPA, PCB 92-152. Therefore, the parties are awaiting a resolution in State Bank of Whittington v. IEPA before proceeding in this matter. The Board notes that it has today issued its opinion and order in State Bank of Whittington v. IEPA.

To assure that this matter proceeds in a timely manner, the Board orders that before August 20, 1993, the parties shall submit the appropriate filings with the Board, if it is determined that the issues in this matter can be resolved without further Board action. If no such motion is filed, the hearing officer shall establish a schedule for completion of this case. This schedule must provide for the completion of hearing and the filing of briefs within 120 days of the setting of the schedule.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3<sup>rd</sup> day of June, 1993, by a vote of 6-0.
