OPINION AND ORDER OF THE BOARD (by B. Forcade):

This matter comes to the Board upon an administrative citation filed by St. Clair County ("County") pursuant to Section 31.1 of the Environmental Protection Act (Ill. Rev. Stat. 1990, supp., ch. 111 1/2, par. 1001 et seq.) (the Act) and a delegation agreement with the Illinois Environmental Protection Agency (the Agency) under Section 4(r) of the Act. The citation issued on July 5, 1990, alleges that Respondent is in violation of Section 21 (q)(1) and (q)(3) of the Act for causing or allowing the open dumping of wastes that resulted in litter and open burning.

A petition for review was filed with the Board on July 31, 1990. On May 17, 1991, hearing was held in Belleville, St. Clair County, Illinois. On August 22, 1991, the Board issued an Order finding that the cited violations had occurred and imposed a penalty of one thousand dollars (\$1,000). The Board also directed the Clerk of the Board and the County to file affidavits declaring their hearing costs.

On September 17, 1991, the Clerk of the Board filed an affidavit stating that the Board's hearing costs were two hundred forty-six dollars and six cents (\$246.06). The County did not file an affidavit. Therefore, the total hearing costs to be assessed against Respondent are two hundred forty-six dollars and six cents (\$246.06).

This Opinion constitutes the Board's findings of facts and conclusions of law in this matter.
