

ILLINOIS POLLUTION CONTROL BOARD
December 6, 1991

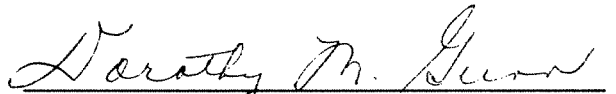

IN THE MATTER OF:)
)
PETITION OF THE CITY OF)
PERU FOR EXCEPTION TO THE) PCB 86-1
COMBINED SEWER OVERFLOW) (CSO Exception)
REGULATIONS)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the City of Peru's petition for exception to the combined sewer overflow (CSO) regulations found at 35 Ill.Adm.Code 306.305(a) and (b). On April 1, 1987, the Board granted Peru a temporary exception from the CSO rules, with the requirement that Peru file an amended petition for permanent exception. The instant petition for exception is filed in response to that requirement. The petition is accepted, and this matter will continue pursuant to the procedures of 35 Ill.Adm.Code 306.Subpart D. While those procedures expired in 1986, in a handful of cases, such as this, the Board retained jurisdiction of the matter so that it could consider the permanent exception pursuant to those rules.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6th day of December, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
