EDISON COMPANY FOR AN ADJUSTED)	(Adjusted Standard - Land)

PART 814)	

ORDER OF THE BOARD (by R.C. Flemal):

On April 1, 1996 Commonwealth Edison Company filed a "Request for Waiver of the Requirement to File Ten Copies of Petitioner's Exhibit 13". Exhibit 13, the "Application for Significant Permit Modification", consists of three bounded volumes, including oversized maps, diagrams, and blueprints.

Pursuant to the Board's procedural rules, Commonwealth Edison Company is required to file one original and nine copies of the signed adjusted standard petition, inclusive of all exhibits. (35 Ill. Adm. Code 106.703.) Commonwealth Edison Company is requesting to only file three copies of Exhibit 13.

The Board grants Commonwealth Edison Company's request to the extent that will still allow the Board to effectively evaluate Exhibit 13 as it relates to the entire record. The Board hereby grants Commonwealth Edison Company leave to file only four copies of Exhibit 13. The Board has received three copies. One additional copy is therefore required.

Commonwealth Edison Company waived hearing in this matter on April 1, 1996 and filed a certificate of publication on April 22, 1996.

IT IS SO ORDERED.
