

ILLINOIS POLLUTION CONTROL BOARD  
January 23, 1992

IN THE MATTER OF: )  
 )  
TOXIC AIR CONTAMINANTS LIST ) R90-1(A)  
(35 ILL. ADM. CODE 232) ) (Rulemaking)

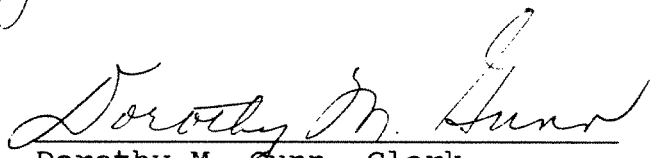

ORDER OF THE BOARD (by J.C. Marlin):

This matter is before the Board on the Halogenated Solvent Industry Alliance's (HSIA) motion to reconsider the classification of tetrachloroethylene and trichlorethylene as toxic air contaminants, filed December 2, 1991. On December 5, 1991, the Illinois Chapter of the Sierra Club filed its response to HSIA's Motion. On December 9, the Illinois Environmental Protection Agency filed a motion for extension of time to respond to HSIA's motion. The Board granted the Agency's motion on December 19, 1991. On December 16, 1991, the Illinois Department of Energy and Natural Resources filed its response to HSIA's motion to reconsider. On December 20, 1991 the Illinois Environmental Protection Agency filed its response.

Rather than decide HSIA's motion today, the Board believes it a better practice to decide all substantive matters concerning this rulemaking at one time. Therefore, the Board will consider HSIA's request when it prepares its second notice opinion and order in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23rd day of January, 1992, by a vote of 5-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
