ORDER OF THE BOARD (by B. Forcade):

This matter comes before the Board on a Motion for Reconsideration and Motion for Extension of Time filed by Harlem Township on November 23, 1992. The motion states that the counsel for Harlem Township was not timely informed of the Board's October 16, 1992 decision in this matter. The counsel for petitioner claims that she first learned of the Board's decision on November 18, 1992 through a third party. The statutory time period for filing a motion for reconsideration is 35 days. Therefore the deadline for filing such a motion in this case was November 20, 1992. The petitioner notes that because the decision was not transmitted to the petitioner it cannot supply the specific reasoning for reconsideration at this time. The motion requests the Board to reconsider its decision and allow an extension of time, until December 23, 1992, for petitioner to supplement the motion for reconsideration.

The Board's records do not indicate that a copy of the decision was sent to counsel for the petitioner. The Board grants the motion for the extension of time. Harlem Township is granted an extension of time, until December 23, 1992, in which to supplement its motion for reconsideration.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of December, 1992, by a vote of 7-0.
